

Operation Independence

past sacrifice | future mobility

VMI and Adaptive Driving Access are offering \$1,000 off a VMI wheelchair accessible van to eligible veterans

providing independence
for those who have sacrificed for ours.

- Did you serve in the Armed Forces?
- Were you discharged under conditions other than dishonorable?
- Did you become disabled due to MS or ALS after you were discharged from the Armed Services?
- Did you become disabled due to a spinal cord injury after you were discharged from the Armed Services?

If you answered yes to the questions above, you may be eligible for the Department of Veterans Affairs Auto Allowance for Disabled Veterans Grant.

VMI is the premier manufacturer of wheelchair accessible vans. *Adaptive Driving Access* is the expert in mobility assessment and customization.

Together, we have combined our knowledge with the Paralyzed Veterans of America to educate and get Veterans the mobility benefits they have earned by serving our country.

If you are a Veteran with a mobility impairment due to MS, ALS, or a spinal cord injury before or after your honorable discharge from military service, you may be qualified to receive an adaptive auto grant from the Department of Veterans Affairs in the amount of \$18,900.

VMI and Adaptive Driving Access are offering \$1,000 off a VMI wheelchair accessible van to veterans who qualify for the Auto Allowance Grant (VA Form 21-4502) and have not already used it to purchase a vehicle in the past. Contact a Mobility Specialist today for more Details!
